Local Pastor Offers Solutions for Broken Lives

ESCALON, CA – Does your life seem like it's falling apart? In his new book, "Picking up the Pieces," local pastor Robert J. Mullen offers solutions to the many different circumstances people face in the world today.

"The purpose and the desire in writing this book is with a hope to bring resolve, enabling people to know how to escape the continuous darkness they have experienced and offer a pathway of light toward picking up the pieces, making the recovery of their dreams possible," Mullen writes. "Everyone deserves a second chance or even a first chance."

In this easy and relevant book, Mullen explains the need to face these challenges by making the right choices that will lead to breakthrough. Every person must actively participate to achieve success, he says. With something for everyone, Mullen encourages readers to take advantage of the opportunity for inner peace, forgiveness, success, and personal happiness that God desires to give.

Published by Tate Publishing and Enterprises, the book is available through bookstores nationwide, from the publisher at www.tatepublishing.com/bookstore, or by visiting barnesandnoble.com or amazon.com.

Mullen is Senior Pastor of Word of Life Ministries and Founder of Walk on the Water Faith Ministries, a ministry geared to raising and supporting leaders nationally and internationally. Also a motivational speaker, conference speaker, and involved with international ministry, he resides in Escalon, California.
